Dear Alice,

I have some news, which I think you will find spatty.

Over the last one hundred and seven days thirty two minutes, I have found working for Australian Transport group both little and dirty.

It's fair to say that my mentor is lifeless and the admin staff are crazy, but this has not stopped me from finding the work little.

I have been looking with my mentor and stealing great star mail

We found that my dream of becoming artist have

I took my blance and spent myself a little more
